There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. A great many years ago doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure the local trouble, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore, requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only cure known to the medical world. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c.

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Thomas Coburn, who resides on what is known as Coburn hill in Craftsbury, committed suicide Thursday. No cause is given for the act.

Chief of Police Jesse Young of Rutland has announced that Rufus Blanchard, the special policeman lined for breach of the peace, will no longer serve on the force. He is the third man to join the ex-special club.

Dredging the river bed at Brattleboro is about completed and with a day or two more active work will be begun in constructing a coffer dam so that the abutments to the new bridge may be built.

Mrs. Angeline Willett observed the 95th anniversary of her birth at her home in Burlington Tuesday. She went for an automobile ride and entertained a number of friends at her home. She received \$25 in gold from her daughters.

A horse belonging to Mr. Sheridan of Proctorville ran away Saturday evening and down the railroad track. About half a mile down, it evidently caught its feet in the ties, as the north-bound freight train ran over it. The horse was badly mangled and the wagon wrecked.

Owing to six cases of typhoid fever in St. Albans, a sample of the city water has been taken to the state laboratory for analysis, reports being received that it is safe for all uses. Samples of water taken from various wells, however, were found contaminated and were pronounced unfit for use.

The two fires at 141 West street, Rutland, in the Union Pacific Tea company, one Sunday and another Monday night, are being investigated by Chief of Police Young and Fire Chief Dunn. Fire was discovered both times in the basement and seems to have been caused by water dripping into the motor of a coffee mill and causing a short circuit.

A four-passenger Ford automobile turned turtle in Bennington Monday, injuring the three passengers more or less. One rear wheel sank in the soft earth and turned the car over, it being headed in the opposite direction from where it was going after the accident. Colton Harwood of Manchester had one leg broken, Frank Baker, the chauffeur, was cut about the head, and a stranger whom they picked up and invited to ride was scratched about the head.

In Memory of Frank Henry.

Frank has gone, yes, gone and left us.
Oh, the sad and so sad, we know.
But you must stop and think, dear mother,
It is not long ere we, too, must go.
God thought it best to take him
To that glorious home above,
Where he nevermore will suffer
And nothing is known but love.

He was so young and noble,
Always ready to lend a hand;
Friends and neighbors, how they will miss him
Only God can understand.

Bow down your heads in prayer, my friends,
Pray for those in the home that are left;
May their sorrowful hearts be comforted
And try to think it was all for the best.

Father, mother, sister, brothers,
Friends will think of you, everyone,
In the home where the eldest son was taken,
To the beautiful home beyond.
—Composed by Mrs. Leon B. Lord,
South Barre.
